

STATE OF IOWA AFFIRMATIVE ACTION/DIVERSITY PLAN AND REPORT

Diversity Plan's Relationship to Affirmative Action

Each department will submit by July 31st an Affirmative Action/Diversity Plan to DAS, who will receive it on behalf of the Diversity Council. This document is to report on your activities and accomplishments for FY 2008, and report on your intended activities for FY 2009.

For the purposes of this document, the term protected classes refers specifically to females, minorities, and persons with disabilities. Protected classes may be subject to numerical goal setting in employment. The term diversity includes the protected classes, but also includes broader differences, such as age, sexual orientation, and religion. These differences are not subject to numerical goal setting in employment, but may be protected by non-discrimination statutes and policies. Please refer to Executive Order Four and the State's EEO/AA Policy for more details.

IV. Workforce Composition and Hiring Opportunities

AGENCY ACTION: The goal setting data to address underutilization of protected class members in underutilized job categories will be sent to you for action separately in late July as mentioned earlier in this document. This data won't be available until after the end of the fiscal year. Therefore you will not need to submit your hiring goals with this document.

We will continue to address numerical underutilization through the normal quantitative affirmative action process as you have done in the past:

- DAS will provide your agency with your department's workforce composition, average turnover, and underutilization by job class.
- Your agency will review this data and establish hiring goals for FY 2009.
- Hiring lists issued by DAS will continue to identify protected class members if the job class is underutilized. How this list is handled should be addressed in your hiring practices and procedures (Item I., above).
- DAS will calculate your year end FY 2008 protected class hiring progress.
- Your hiring progress in FY 2008 and hiring goals for FY 2009 will be incorporated into the AA/Diversity Plan Annual Report to the IGOV and Legislature, due by September 30, 2008.

You also receive periodic hiring opportunity reports that remind you of the vacancies that are currently in process for your department

As a general measure of diversity in state government, a current workforce composition report (April 17, 2008) comparing your department to the executive branch overall is provided. Please use this as needed.
